**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have just seen that AT&T is trying to limit competition. I was a long time AT&T customer but I finally was fed up with continuous rate hikes, bad service and their we don't care attitude, I finally started switching service. I move my internet, my cell phone and now 4 months or so of them owning DirecTV and many problems occuring, I'm planning on moving from this service as well.

Please keep fair and open competition alive in the USA! As consumers, we need options to choose what services and companies we want. It should be my choice to find good service.

Thank you,
Gina
